SUMMARY

I am a self-motivated B.Tech student in Computer Science & Information Technology, with proficiency in programming languages like C, Python, Java and HTML/CSS, JavaScript. I am eager to contribute to innovative projects while continuously enhancing my technical skills in software development. Currently serving as an NCC cadet, I am developing discipline and leadership qualities.

EXPERIENCE

Technical Coordinator

ZeroOne Technical Code Club

📅 08/2023 – 10/2024 📍 Guntūr, India

It is a student-led organization focused on enhancing coding skills and technical knowledge through collaborative projects and competitions.

- Coordinated a student-led initiative to promote coding skills through collaborative projects and competitions.
- Organized workshops that improved programming skills among participants, fostering a collaborative learning environment.

NCC Cadet

National Cadet Corps (NCC)

📅 09/2023 - Present 📍 Guntūr, India

NCC is a youth organization that involves cadets in various training and community service activities.

- Participated in a national youth organization focusing on leadership training and community service.
- Improved leadership skills through specialized training sessions.
- Promoted teamwork by actively engaging in community service initiatives.
- Showcased dedication to personal development and service to the nation.

EDUCATION

B.Tech in Computer Science & IT.

KL Deemed to be University

📅 07/2023 - 05/2027 📍 Vaddeswaram, Guntur, Andhra Pradesh

Higher Secondary Education

Vidyanifiethan International School

📅 08/2021 - 05/2023 📍 Tirupati, Andhra Pradesh

CERTIFICATION

The Joy of Computing using Python

Acquired foundational knowledge in Python programming, focusing on computational thinking and problem-solving.

Responsive Web Design Certification

Mastered HTML, CSS for building responsive web applications. Completed projects emphasizing mobile-first design and accessibility.

STRENGTHS

Communication

Ability to explain technical concepts and lead workshops.

Problem-Solving

Solved coding challenges and real-world project problems.

Time Management

Balancing academic work with extracurricular activities (NCC, coding club).

Adaptability

Willingness to learn and adopt new tools and technologies.

LANGUAGES

English

Proficient
